TWO-DAY EVENT TO FEATURE ON-SITE CAMPING
AND VIP PACKAGES

Having grown from a one day event in August 2009 to a two-day festival this year, **EPICENTER Twenty Ten** has been announced for Saturday, September 25 and Sunday, September 26 at Auto Club Speedway in Fontana, CA. It will feature an expanded area including accommodations for overnight festival camping.

The initial line-up for this year's EPICENTER Twenty Ten musical celebration to include headliners Blink 182, Eminem, Kiss, Rise Against and also Thirty Seconds To Mars, Bush, B.O.B., Travis Barker, Bad Religion, Papa Roach, A Day To Remember, Suicidal Tendencies, The Black Pacific and many more. Go to www.EpicenterFestival.com for full lineups.

Many of these performances are unique to Southern California: EPICENTER Twenty Ten will mark Eminem's first California concert since 2005; Blink 182's only 2010 concert in North America; KISS' only 2010 California appearance; Rise Against's only concert in California this year; and the festival marks the first reunion show by Bush, who haven't performed together since 2001.

"Eminem, Blink 182, Kiss, Rise Against, the reunion of Bush and all of the other incredible acts at the same festival?" says Right Arm Entertainment's Del Williams, producer of the event. "Honestly, it's impossible to contain our euphoria. As producers, we're honored that the headliners chose to make Epicenter Twenty Ten their exclusive California concert appearance this year. As fans, we are delirious with all of the talent. Epicenter Twenty Ten is simply about leaving your problems at the door and entering a place to experience an unbelievable weekend of live music and fun. We are all in desperate need of blowing it out. Auto Club Speedway gives us the capacity and infrastructure to throw a legendary party."

Tickets for EPICENTER Twenty Ten go on sale, Saturday, June 26 at 10:00 AM (PT) at www.TicketMaster.com. Tickets start as low as \$79.50 for a single day ticket and more information about weekend VIP passes, two-day value passes and single day tickets, plus all camping information can be found at www.epicenterfestival.com.
